

We're Improving!

Pediatric Healthcare of LI's Woodmere location recently implemented many changes in hopes of being recognized by the National Committee for Quality Assurance (NCQA) as a Patient-Centered Medical Home. We're excited to share a summary of our recent improvements.

Number of 2-year-old patients receiving MMR vaccines increased by 2.62%

89.38% 2-year-old patients received the MMR vaccine between 4/1/17 and 5/31/17

92% 2-year-old patients received the MMR vaccine between 6/1/17 and 8/31/17

Number of 3-year-old Well Visits increased by 21.8%, achieving 100% compliance

104 3-year-old patients had their visit completed between 4/1/17 and 5/31/17

131 3-year-old patients had their visit completed between 6/1/17 and 8/31/17

Asthmatic patients' compliance with their appointments increased by 17.24%, achieving 100% compliance

82.76% Patients completed their appointments between 4/1/17 and 5/31/17

100% Patients completed their appointments between 6/1/17 and 8/31/17

ADHD patients' compliance with their appointments increased by 10.2%

44 Patients completed their appointments between 4/1/17 and 5/31/17

51 Patients completed their appointments between 6/1/17 and 8/31/17

Number of hospital/ER visit discharge summaries received improved by 25%

3 Patients were seen at the hospital/ER, no discharge summaries were received between 4/1/17 and 5/31/17

8 Patients were seen at the hospital/ER, 2 discharge summaries were received between 6/1/17 and 8/31/17

Patient satisfaction increased by 13.69% when we asked the following question:

"The Doctor spoke to me and my child about the following topics – How much time my child spends at the computer, TV and other electronic diversions".

28 patients had an affirmative response between 8/14/17 and 8/18/17

34 patients had an affirmative response between 9/11/17 and 9/14/17

Performance Improvement
